Dear Mr. Jordan:

Enclosed is your approved copy of Highway Permit, District Serial Number **A2-18-001**. The attached permit allows you to proceed immediately with the proposed construction you requested to perform in, upon, along or under a state maintained roadway, as noted therein. This permit in no way presumes to release you from conforming with county or municipal zoning regulations.

When the work is completed, please sign this letter as indicated below and return to this office. The letter must be returned within **180** days from the date of issuance, unless a time extension is given, otherwise the permit becomes null and void.

Please request clarification of the permit in the event the terms and specifications are not clear.

If you have any questions, please contact Jason Stringer, Senior Permits Technician, at 815/284-5413.

Sincerely,

Kevin Marchek, P.E.
