SENIORITY, LAYOFF AND RECALL

Section 1. Definition

"Seniority" is defined for the purposes of this Agreement, as the employee's length of continuous full-time and permanent part-time service with that Employer, since the employee's last date of hire with that Employer.

Section 2. Application of Seniority

In the application of seniority and ability in promotions, filling of permanent openings in classifications, layoff and recall, seniority shall be the determining factor within the specific job classifications when, among qualified employees within such classification,

their qualifications, skill and ability to perform the work is substantially equal. When applying this principle of seniority within classification and ability, the Employer's decision shall be made in good faith and shall not be arbitrary or capricious.

Section 3. Termination of Seniority

Seniority shall be terminated when an employee:

- (a) resigns or otherwise quits;
- (b) is discharged for cause (however, if such discharge is reversed through the grievance procedure, the issue of seniority is subject to the remedy attained within the grievance procedure);
- (c) retires;
- (d) does not return to work from layoff within three (3) working days after being notified to return, except when such failure to return to work is due to circumstances beyond the employee's control and the Employer was notified prior to the tolling of the three (3) day period;
- (e) has been absent from work three (3) consecutive days without notifying the Employer, except when the failure to notify is due to circumstances beyond employee's control.

In cases of seniority loss, the Employer shall issue written notification to the employee at their last known residence of such loss and that employment is terminated, with a copy of such forwarded to the Union Representatives.

Section 4. Seniority For New Employees

There shall be no seniority among probationary employees until they successfully complete their appropriate probationary period, wherein such employee shall acquire seniority retroactive to his/her initial date of hire with the Employer. The Employer shall, upon request, grant a probationary employee an oral evaluation after (3) months of service.

Section 5. Seniority Roster

The Employer shall maintain post and keep current within each bargaining unit covered by this Agreement, a seniority roster by classification. The Union Representative shall be provided a copy of the seniority roster on the date of posting, which shall be no less than annually.

Section 6. Layoff

The Employer in its discretion shall determine whether layoffs are necessary unless it is clearly established that such a determination is arbitrary. Such layoffs shall not take effect until the expiration of an appropriate two (2) week notice period to employees affected.

Although not limited to the following, layoffs shall ordinarily be for lack of work and/or lack of funds. If it is determined that layoffs are necessary, employees shall be laid off in the following order within the specific job classification wherein layoff is being experienced:

- (a) Temporary employees; seasonal employees;
- (b) Probationary employees;
- (c) Part-time employees included in the bargaining unit affected; and,
- (d) In the event of further reductions in the labor force, employees shall be laid off from the affected classification in accordance with their seniority and their ability to perform the remaining work available without further training. When two (2) or more employees have relatively equal experience, skill, ability, and qualifications to do the work without further training, the employee(s) with the least seniority shall be laid off first.

Section 7. Recall

Employees who are laid off shall be placed on a recall list for a period of two (2) year(s). If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without substantial further training.

If an employee is recalled to a position in a lower rated job classification, he/she shall have the right to return to the job classification he/she held prior to being laid off in the event it subsequently becomes available. If an employee is recalled to a lower rated job classification, the employee shall have the right to refuse the recall. The Employer shall not hire new employees in bargaining unit positions so long as there are still employees on the recall list who are presently qualified to perform the work in the affected job classification and are willing to be recalled to said classification.

Section 8. Recall Notice to Employees.

Employees eligible for recall shall be given fourteen (14) calendar days notice of recall and notice of recall shall be sent to the employee by certified or registered mail with a copy to the Union Representatives, provided that the employee must notify Employer of his/her intention to return within three (3) days after receipt of notice of recall. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by registered or certified mail, return receipt requested, to the mailing address provided by the employee, it being the obligation and responsibility of the employee to provide the Employer with his/her latest mailing address.

Upon retirement with twenty (20) or more years of service a maximum payout in cash shall be up to four hundred thirty (430) hours if accrued. However, an employee who calls in sick and uses such sick leave in excess of three (3) consecutive shift periods may be required to produce a written statement by physician verifying the illness.

Section 4. Sick Leave Abuse Sanction

Side Letter Agreement

The parties agree that due to the extraordinary economic circumstances and corresponding new construction slowdown the department will modify hours. In exchange for the reduction from forty (40) hours to between thirty-two (32) hours and thirty-seven and one-half (37.5) all department employees shall receive an additional two (2) personal days each year to be used or lost for 2009 and 2010 respectively. By September 30, 2010, a determination shall be made as to the level of building activity and staffing needs for the third year of the Agreement which is December 1, 2010 - November 30, 2011. If the circumstances are unchanged and the hours remain between thirty-two (32) and thirty-seven and one-half (37.5)/week, an additional two (2) personal days shall be awarded for the third year of the Agreement. If full-time status is needed for department personnel then no additional personal days above the three (3) currently in the Agreement, shall be awarded. This side letter shall expire at the end of the current Agreement, November 30, 2011.

Furthermore, due to the Memorandum of Understanding dated February 4, 2009 presented in negotiations the following shall apply:

Boone County and Teamsters Local Union #325 agree that during the term of the Collective Bargaining Agreement expiring on November 30, 2011 between the County and the Union covering certain employee(s), Diane Zimmerman (Zoning Inspector) and Michele Holster (Permit Technician) (Position currently vacant) are in agreement to work reduced hours.

Michele Holsker (Permit Technician) would work a thirty-two (32) hour work week versus her normal week of thirty-seven and one-half (37.5) hour work week. Diane Zimmerman (Zoning Inspector) would work a thirty-two (32) to thirty-seven and one-half (37.5) hour work week versus her normal work week of forty (40) hours per week.

The reduction in hours is completely voluntary and is a side-bar agreement to the contract. The following stipulations are agreed to:

- The positions of Zoning Inspector and Permit Technician remain as Full Time in the Agreement.
- The effected employee(s) in the respective positions may return to their respective full time hours at any time with adequate notice.
- All of the Benefits shall remain intact as if they were to have been working their normally scheduled full time hours of work with no reduction whatsoever.
- The County may request an employee to resume the Full Time hours upon adequate notification and in agreement with the employee(s) and the Union Steward.

Be it further noted that the intent of this Memorandum of Understanding is to voluntarily maintain the actual hours worked per week below the respective positions of Full Time hours per the Agreement. Further note that the scheduling of hours may vary from one week to another depending on the need to cover for illnesses, vacations, and unexpected circumstances, etc.

At no time shall the voluntary reduction in hours impair the Building Department's ability to adequately service the public's needs.
